### Additional Rate Information

Unless otherwise approved by Schneider, the above rate includes all stop-off charges, fuel surcharges, loading, unloading, etc. This rate cannot be changed, modified, or supplemented by reference to any other rates, rules, classification, schedule, or tariff without Schneider's written permission.

Any accessorial not listed above (including, but not limited to, labor, detention, layover charges, etc.) must be approved by Schneider prior to the charge being incurred; failure to obtain such pre-approval may result in non-payment for the accessorial charge. Schneider is not required to approve any such accessories not listed above. The Carrier must provide supporting documentation reasonably requested by Schneider (such as, without limitation, receipts for all third-party charges, evidence of payment for third-party charges, in and out times on a bill of lading for detention charges, etc.) for all approved accessorial charges no later than five (5) days after the accessorial charge is incurred; failure to provide such supporting documentation within such timeframe may result in non-payment for the accessorial charge. Driver detention times/charges must be clearly noted on the bill of lading and may, at Schneider's discretion, only be authorized on electronically tracked shipments (Schneider's customers require electronic tracking for shipment updates). To the extent of a conflict between the terms of this paragraph and the terms of the Master Transportation Agreement between Broker and Carrier, these terms shall govern.

### Invoice & Documentation Requirements

**All invoices and shipment documentation (including, without limitation, bill(s) of lading, clear delivery receipts, and supporting documentation for third-party charges) must be submitted to Schneider per tender instructions no later than ninety (90) days after delivery. FAILURE TO PROVIDE ALL SUCH DOCUMENTS (INCLUDING THE INVOICE) WITHIN SUCH NINETY (90) DAY PERIOD WILL RESULT IN NON-PAYMENT FOR SERVICES.**
