This is a one-time use bill of lading specific to the quote proposed by Schneider Transportation Management, a division of Schneider National Carriers, Inc. ("STM") and must be used to validate the quote. Variances of weight or the commodity shipped will change the rate for this shipment. The charges are the full responsibility of the shipper, consignee and payee of this freight who will be separately and jointly responsible for payment within 15 days of the STM invoice. STM, as a registered broker of property as described under federal regulations (including, without limitation, 49 CFR 13904), is not acting in the capacity of a motor carrier and is not responsible for any cargo loss or damage. STM defers all cargo claims to the carrier who is responsible for the cargo claim declination, compromise or payment. All commodities are subject to limited liability. Shipper is responsible for validating and confirming that the carrier picking up the shipment is the carrier indicated on this Bill of Lading. In the event the carrier that arrives for the shipment does not match the carrier identified on this Bill of Lading, the Shipper should not release the shipment to such carrier, and must call STM for further validation. Releasing a shipment to a carrier other than the carrier identified on this Bill of Lading shall be at Shipper's sole risk and liability, and Shipper releases STM from any liability in connection therewith.

Terms of Service: As between (i) STM and (ii) the shipper or consignee, as applicable (the "Customer"), unless (i) the Customer and STM have entered into a separate written service agreement governing the terms and conditions of STM's performance of brokerage services (the "Separate Agreement") or (ii) Customer booked its shipment through STM's FreightPower Shipper portal according to the terms and conditions of such portal (the "FreightPower Terms") (in which case the terms of such Separate Agreement or the FreightPower Terms, as applicable, will control), STM's performance of brokerage services will be governed by the "Brokerage Terms and Conditions" located at: <u>Tariffs and Terms and Conditions of Service | Schneider</u> (the "Standard Terms"). By accepting brokerage services from Schneider in the absence of a Separate Agreement or applicable FreightPower Terms, you agree that such brokerage services are governed by the Standard Terms. As between (i) STM and (ii) the Carrier, this shipment shall be governed by the terms and conditions of (i) the shipment tender from STM, and (ii) the terms and conditions of the Master Transportation Agreement between STM and the Carrier, which are deemed incorporated herein.
