Fraud ID Prevention: Driver must call MET Logistics @201-403-2950 with MET load number to obtain required pickup and delivery details and to confirm Truck, Trailer, and VIN information. It is the Driver or Carrier's sole responsibility to confirm all transit times are lawful and any directions or routes are completely safe given their equipment or load.

Check Calls: Driver must call with the arrival and departure times from both shipper and receiver.

In transit Calls: Driver or dispatcher must call by 9:00 each morning with update and ETA; Notify MET immediately if delayed or detained and unable to make on-time delivery.

Accessorial Charges: All charges (detention, TONU, layover, lumpers, etc.) must be authorized and pre-approved prior to or at time of occurrence. Lumper fees will not be reimbursed without proper paperwork or receipt of lumper and must be submitted within 48 hours of the occurrence. Carrier shall ensure bill of lading is noted with printed and signed name by shipper / receiver personnel and provides and states arrival and departure times to be eligible for detention. Check calls are required to be eligible for detention charges and drivers must call with arrival and departure times. Drivers must check call one hour prior to detention starting so we may be proactive in preventing the occurrence. Without proper documentation, MET Logistics has no proof of the occurrence and cannot bill customer. When MET Logistics receives the proper documentation, a new rate confirmation will be issued. If driver is late for an appointment, they are not eligible for detention charges.

Detention policy is thirty-five dollars (\$35.00) per hour with a maximum of two-hundred dollars (\$200.00) per day. Detention starts two (2) hours after the end of the appointment time.

Sub-Contracting (double brokering): Carrier agrees that all freight tendered by MET Logistics shall be transported on equipment operated only under the authority of the carrier assigned to the load. Carrier shall not in any manner sub-contract, broker, or in any other form arrange for the freight to be transported by a third party.
