Rate Confirmation Agreement for WILDCAT LOGISTICS LLC

"THIS FREIGHT IS NOT TO BE CONSOLIDATED WITH ANY OTHER FREIGHT WITHOUT WRITTEN PERMISSION FROM WILDCAT LOGISTICS."

It is the carrier's sole responsibility to confirm that it may lawfully and safely operate its vehicle and contents over any road, highway, bridge, and/ or route. Carrier shall be solely responsible for any fines, penalties, or citations that may be levied because of operating its vehicle and contents in a way that may be in violation of any regulation, law, or ordinance. Carrier is responsible for compliance with all FMCSA rules and regulations, including but not limited to Hours of Service compliance.

Carrier warrants the driver assigned to this shipment has sufficient hours available to complete the delivery and remain in compliance with the Hours of Service rules. In the event Wildcat Logistics is erroneously listed as the "carrier" on the Bill of Lading, the Carrier agrees that Wildcat Logistics role is as a property broker only and despite any incorrect designation on the Bill of Lading, Carrier is, for all purposes, the "carrier".

Any early or late, pickup/delivery, may result in fines that are at the discretion of Wildcat Logistics. Arriving early or late to pickup/delivery locations are considered failures and may cause the load to be subject to fines.

All circumstances will be investigated on a case-by-case basis.

Any changes to the confirmation must be approved by Wildcat Logistics in written form.

By signing the Bill of Lading ("BOL") the driver agrees to be responsible for the condition and count of the load and the way it is loaded.

If Driver is requested to count and verify the pallet count, piece count or condition of the product by shipper, the driver agrees to verify that such information on the BOL is correct.

Driver agrees to confirm that the information on the BOL (Pallet Count, Weight, Product, Shipper location(s) and Consignee Location matches the order information on the load confirmation sent to the carrier. In the event that the BOL does not match the rate confirmation, the driver / carrier agrees to notify Wildcat Logistics at 229-330-0808 or at dispatch@wildcatlogistics.com before leaving the shipper's facility. If Driver does not notify Wildcat Logistics before leaving the facility, then the Carrier agrees to pay all costs and expenses incurred by Wildcat Logistics because of driver's failure to match information on the BOL to the order information on the load confirmation sent to the carrier.

Driver agrees to leave all sealed loads sealed until broken by the consignee or designated party.

The weight listed on this rate confirmation is an approximate weight. Wildcat Logistics will not be held liable if the actual weight does not match the weight on the rate confirmation.

All deliveries are to be made to the address listed on this confirmation. Failure in any of these areas will result in carrier being responsible for any and all remedies ordered by Wildcat Logistics.

Detention policy: DRIVERS MUST BE ON TIME TO BE ELIGIBLE FOR DETENTION.

Carrier must notify Wildcat Logistics in writing if not loaded or unloaded within 1 hour of arrival of an appointment-based pickup/delivery and within 2 hours of arrival on a first come first served based pickup/delivery.

Wildcat Logistics will not be held responsible for any detention fees without prior written approval.

Detention will be paid after 4 hours free time at a rate of \$50.00 per hour for first come first served based pickup/delivery locations and after 2 hours on appointment-based pickup/delivery locations.

Arrival and Departure times should be documented on the BOL/POD with the times signed or stamped by shipper/consignee.

Drivers must accept our GPS Tracking app, (Trucker Tools) once the driver has been dispatched and keep the tracking active until the order is complete. Failure to accept the app within 2 hours of the scheduled pickup may cause the load to be recovered. Failure to keep the tracking active until completion of the load will cause a \$100.00 failure to track penalty.

Double-Brokering is prohibited, and Carrier shall remain primarily liable for any personal injury, including death, and/or delay claim arising from double brokering to the extent that Carrier would be liable if it performed the transportation directly. In addition, Carrier will be the sole party responsible for compensating the substitute service provider who transported the shipment and shall defend, indemnify and hold Wildcat Logistics harmless from any demands for unpaid freight charges, including attorney fees. If broker and / or its customers remit payment to the substitute service provider, then Carrier agrees that the transportation charges on that particular shipment will be considered paid in full to Carrier.

Carrier agrees that it will look solely to Wildcat Logistics for the payment of its charges and that it will not contact or pursue Wildcat Logistics' customers or the shipper or consignee for payment of freight, accessorial or other charges owed to Carrier, and waives any right it may have to pursue anyone other than Wildcat Logistics for payment of freight charges.

By accepting this shipment for transportation, Carrier agrees to all terms and conditions. Carrier warrants that it is duly and legally qualified to provide the transportation services contemplated herein and that it holds unexpired liability insurance for at least \$1,000,000.00 USD and unexpired cargo damage insurance of at least \$100,000.00 USD, with no exclusions noted for the cargo type being transported on this order and no exclusions that would preclude insurance coverage in the event of personal injury or death.

Carrier shall indemnify broker and any shipper, consignee or receiver of freight from any claims arising out of or resulting from bodily injury to, or sickness, disease or death of, any employee, representative or agent of Carrier or any other person acting through or on behalf of Carrier, in connection with any act or omission of any person, including any acts or omissions of employees or agents of Carrier, while on or about the premises of any shipper, consignee or receiver of freight, and including without limitation any claims resulting from or caused in part by the negligence of broker and any shipper, consignee or receiver of freight, excepting only claims resulting from or caused by the sole negligence of the shipper, consignee, or receiver of freight.
