This shipment may contain human or animal food. Pursuant to the FDA's Food Safety Modernization Act ("FSMA") and its final rule on the Sanitary Transportation of Human and Animal Food, you are required by law to ensure safe and sanitary transportation of the cargo. The requirements include but are not limited to: 1) appropriate and sanitary equipment in compliance with our customer's specifications; 2) proper temperature controls, including pre-cooling, as per our customer's specifications; 3) drivers trained to handle human or animal food shipments; and 4) preservation of records proving compliance with each of the above. We have requested full written specifications from our customer for safe and sanitary transportation of this cargo and will pass it on once received. If you have not received written specifications prior to loading, please advise the shipper at the time of pickup and contact us prior to finalizing pickup. All food shipments must be sealed before leaving the shipper and the same seal must remain intact at all times until removed by the consignee. Failure to comply with all shipper requirements and expectations to ensure safe and sanitary transportation of food, including but not limited to any seal discrepancies, shall result in fines and/or claims for all associated costs incurred to reconsign, inspect, store, and/or dispose of potentially contaminated product, as per individual shipper standards.

ARMADA - \*\*MACROPOINT IS REQUIRED FOR THIS SHIPMENT - NO EXCEPTIONS. FAILURE TO DELIVER ON TIME MAY CAUSE A LINE SHUTDOWN RESULTING IN FINES & PENALTIES. SUNSET TRANSPORTATION SHOULD BE PROMPTLY NOTIFIED OF ANY POTENTIAL DELAYS, ISSUES OR CONCERNS THAT MAY CAUSE THE DELIVERY TO BE OUTSIDE OF THE AGREED UPON DATE & TIME ON CONFIRMATION.\*\*

\*\*For all Temperature Controlled loads, Driver should verify that temperature requested matches the temperature on the bill of lading. Should these temperatures not match, DRIVER shall contact broker to confirm temperature. If driver does not confirm temperature and a load is claimed or rejected due to temperature, carrier has accepted full fault in claim.\*\*

\*\*Carrier acknowledges that there is no exclusion on it's cargo insurance policy for ice cream or the like, and further understands that if there is an exclusion on a load with these items that the carrier will be personally responsible to fund this claim.\*\*

\*\*\*\*\*Carrier must confirm seal is intact prior to departure from shipper. Should a seal not be placed on the trailer, carrier is required to immediately contact Sunset Transportation to inform them of the lack of seal. Carrier is NOT to leave shipper until this has been resolved. Leaving with an unsealed trailer, or a seal not placed by shipper, or arrival at receiver without original unaltered seal will be considered adulterated and carrier can face responsibility for a claim for the full value of the load. Additionally load will be considered adulterated if the RECIVER is not the person to break the seal, carrier may NOT break seal at receiver. Should seal need to be broken by the authorities for any reason, they must notate the BOL with their contact information and place a new seal and notate the BOL with the new seal number. Carrier MUST contact Sunset immediately should this occur!\*\*\*\*\*
