SPECIAL INSTRUCTIONS: Dry vans need to come in with half a tank, Reefers must come in with full tank of fuel.**Driver must slide tantums to the back and have 2 load locks or straps.****Driver signs off on the BOL's and if they leave the shipper without confirming weight you are responsible for charges to get reworked.****Driver E-Logs are required to obtain detention/ layovers and TONU'S. Detention cannot be given for FCFS or at consignee****Please send pictures of the BOLs and the seal when loaded to tracking@whfreight.com.****Macropoint is required and must track the entire load. (Samsara works as well).**

Our overall payload weight goal for OTR shipments is 46,300 pounds. We expect carriers to check in with empty equipment weights at or below 33,500 pounds for dry and 35,500 pounds for refrigerated equipment. Having equipment outside of the contracted rate can cause loads to scale back for payload to be added or removed. In addition, drivers may be requested to slide tandems when necessary, to achieve legal axle weight distribution. If carrier exceeds the applicable maximum equipment weight stated above, Shipper reserves the right to make a pro-rata adjustment to the pricing. Anheuser Busch reserves the right to charge the carrier \$50 per shipment that violates the above stated weight policy by more than 1,000 lbs.

Draught beer on dry vans must be delivered within 10 hours of loading, and carriers must monitor all draught shipments to stay within compliance to avoid claim against the carrier for the cost of spoiled/dump product.

1. This load is subject to all terms and conditions of the Broker-Carrier Agreement and all quick pay fees are subject to change at any time without prior notification.
2. All Drivers are required to check call every day (including Sat., Sun., and holidays), between 8:00am and 9:00am Eastern Time. Failure to do so can result in a \$100.00 fine against carriers settlement for each infraction.
3. Whitehorse Freight is available 24 hrs a day 7 days a week. Failure to call immediately could result in a penalty against the final settlement.
4. Driver must have a minimum of 2 load locks to secure the load.
5. Carrier agrees to pay for damages if load is damaged.
6. If any loads are sealed the driver/carrier cannot break any seal or there will be a claim charged to the carrier.
7. EMAIL INVOICE & BOLs to ACCOUNTS PAYABLE at ap@whfreight.com. Once paperwork has been received (whichever comes first via e-mail, fax, or mail), no further adjustments can be made.
8. If carrier fails to make the designated APPT time, they are responsible for any possible late fees/ cargo damages.
9. Failure to send copy (picture via text/email) of POD within 30 minutes of delivery will result in 200\$ fine.
10. Carrier must notify Whitehorse Freight prior to at the time of their detention/layover start time so that charges can be approved.
