Agreement

Transplace Stuttgart, LP ("Broker" or "Transplace") and the transportation service provider ("Contractor") have entered or will enter into one or more written agreements pursuant to which Contractor will provide transportation related services for Transplace and its customers. Transplace and Contractor have agreed that the above compensation shall apply to the shipment listed on this Rate Confirmation and that it shall supersede any prior rate confirmation or agreement and that any rates, terms or conditions of any bill of lading, Conditions of Carriage, Carta de Porte, delivery receipt, Rules Circular, tariff or other document are hereby expressly altered or waived. Unless noted otherwise, all sums are stated and shall be paid in USD. Changes made by Contractor to the rates and/or terms listed herein, including this provision, are null and void. Contractor's physical acceptance of the shipment affirms Contractor's agreement with the stated rate. Transplace's agreement to changes can only be evidenced by a clean Rate Confirmation. Contractor must advise Transplace via a verifiable method of approved additional charges within 24 hours after delivery. Failure to do so may result in inability of Transplace to collect the charges, so payment shall be at the sole discretion of Transplace. Charges not invoiced within 180 days of delivery will be deemed waived. Unless stated otherwise above, linehaul rate includes Fuel surcharge. Subcontracting of this shipment by Contractor may result in forfeiture of Contractor's right to payment.

Any loads moving into, out of, or through the state of California must be moved on a California Air Resources Board compliant truck and trailer. \$4 per \$900 Comcheck fee.
