The point to point rates listed below supersede all other rates in effect and will remain in effect until changed by mutual agreement. An 8% advance fee will be applied against total line haul settlement on any load where an advance is given. Advances have to be verbally and written agreed upon before the driver is dispatched. To collect "driver assist" charges, bills **MUST** be signed accordingly by consignee. If a load delivers later than the specified date on this contract a late fee will be assessed up to \$200 per day. Also all **POD's must be signed with date and in/out time by the shipper and receiver** to be considered a true POD.
