## **Terms and Conditions**

1. This Load MAY NOT BE DOUBLE BROKERED. By signing this Rate Confirmation, Carrier agrees that this rate is inclusive of all charges. Revisions to rate charges are allowed within twenty four hours of receipt of this Load Confirmation and Rate Agreement or prior to pick up of freight, whichever occurs first. Failure to comply with this rule may result in non-payment.
2. This Load Confirmation and Load Agreement is subject to the terms of the Broker/Carrier Agreement signed by IGT and Carrier. This Load Confirmation and Load Agreement is an addendum to the Broker/Carrier Agreement.
3. Carrier's motor vehicle equipment shall be dedicated to IGT Logistics' exclusive use while transporting the cargo subject to this booking, unless otherwise indicated in the Load Confirmation. Carrier's violation of this exclusive use requirement will result in Carrier's forfeiting its right to be paid for the transportation services contemplated by this Load Confirmation and Rate Agreement not as a penalty, but as liquidated damages.
4. Any additional charges must appear on a revised confirmation sheet signed by the BROKER. IGT Logistics will not reimburse accessorial charges without prior approved consent. The carrier is liable for labor charges, facility charges, crane, or/and any other loss as a result of a missed pickup or delivery appointment.
5. Carrier must include a signed copy of the shipper's bill of lading (BOL) and any other proof of delivery (POD) to BROKER. Copies of the proof of delivery must be sent to IGT Logistics within 2 calendar days from the date of delivery (DEL). Failure to do so will result in a daily charge of \$50 until the PODs are submitted.
6. When instructed to use a BLIND bill of lading for BLIND shipments, the correct corresponding bill of lading must be in the driver's hands at the time of the pickup as well as delivery. CARRIER AGREES NOT TO GET PAID IF INSTRUCTIONS ARE NOT FOLLOWED.
7. All Van and reefer loads MUST be sealed at origin either by shipper or driver with a seal number noted on bill of lading. The driver is responsible for re-sealing the trailer after each pickup/drop on a multistop shipment. In the event a shipment that was sealed at origin or after each additional pickup/drop arrives at the destination with a tampered seal or without the seal intact then (i) the Carrier shall be liable for any shortage or damage claims with respect to such shipment and (ii) the shipper shall have the right, in its sole discretion, to deem the entire shipment damaged, adulterated/contaminated and unsalvageable, without the need for an inspection and the Carrier shall be liable for the full value of the shipment. Carrier must meet and comply with shipper requirements at the facility.
8. Carrier must report any shortage, damage and/or any other notes on the bill of lading from the shipper or receiver immediately after receiving the bills. Carrier cannot leave the facility before getting clearance from IGT, unless the bills are clean.

11. Should material become damaged, wet, or altered in any way during transport please contact the IGT representative immediately.
12. By accepting this Load Confirmation and Rate Agreement, Carrier warrants to have enough hours to safely pick up and deliver the freight on this Load and Rate Agreement. 14. Carrier must pickup and deliver in time. Being late to the shipper or receiver may result in late fees.

15. Carrier must immediately report any discrepancies in the information provided in the Rate Confirmation, the bill of lading and shipper's instructions (ex: product count or weight, reefer temperature, address, commodity). Failure to do so may result in rate reductions or loss of pay.
