General Rules

1. Carriers are required to carefully review the Rate Confirmation and the accompanying addendum. Acceptance of the load signifies full agreement with all terms specified in the Rate Confirmation and the provisions outlined in this addendum.
2. Loads that are tendered with NEED or REQD are contingent upon a confirmed appointment. The Carrier must contact Capital Logistics Group to confirm the appointment prior to dispatch. Capital Logistics Group will not be liable for Detention or Truck Ordered Not Used (TONU) charges for instances where appointments are not confirmed or for drivers attempting to pick up without a confirmed appointment.

The Carrier acknowledges that upon departure from the shipper, the cargo has been loaded successfully and securely in accordance with the driver's established safety standards, facilitating a smooth transportation process. Any concerns regarding the loading of the product must be promptly addressed and resolved prior to leaving the shipper's premises. If the driver is unable to access the trailer for viewing after the loading process, they should contact us before departing from the shipper.
