Original Proof of Delivery w/3 signatures (Shipper, Consignee, and Carrier's driver) c. Signed Rate Confirmation d. Any and all required receipts that Broker requires to invoice its customer e. Carrier is responsible for maintaining proof, via fax or email receipt, or submission of POD. 4. Carrier must count and verify the shipment before loading. Carrier agrees that Broker is not liable for any shortages, loss, or damage to cargo transported by Carrier. 6. Unless written waiver is obtained from Broker, Carrier shall look only to Broker, and not to the involved Shipper, Consignee, or customer of Broker, for payment of Carrier's freight charges. Broker shall be entitled to deduct any damages or claims against all of Carrier's outstanding receivables from Broker and shall not be limited to deducting the damage charges solely from the load resulting in the damage and/or claim. No Cargo liability limitations shall apply with respect to this shipment, and Carrier shall be responsible for the full actual cost of any damage or loss to the cargo being transported regardless of the amount of cargo insurance required. 7. Carrier agrees that unauthorized delays in pickup and delivery may result in a rate reduction of greater of 25% of the original agreed rate or the amount that the Broker forfeits on the load. 9. Carrier must tarp all flatbed loads unless authorized on the rate confirmation by Broker that the load does not require tarps. 10. By signing below, Carrier warrants that it is duly and legally qualified to provide transportation services and that it holds auto liability insurance of a minimum of \$1 million and cargo of at least \$100,000. FATIGUE AWARENESS TRAINING - Fatigue awareness training for drivers would teach drivers about the factors contributing to fatigue and their impact on performance along with fatigue awareness and avoidance techniques. 17. When applicable, Carrier agrees to follow the C-TPAT 7/8 and 17/18 Point Container Inspection Process.
