Terms and Conditions

Carrier must sign and email this Confirmation back to the Broker representative before picking up load. This Confirmation constitutes an addendum the BROKER/CARRIER AGREEMENT between Broker and Carrier and is subject to its terms and conditions. Broker and Carrier ("Party" or "Parties") hereby consent and agree to conduct business using electronic mail ("e-mail"). This consent and agreement encompasses the use of e-mail to transmit and effect the signature of any document, including, without limitation, any addendum, modification, amendment, notice, consent and/or waiver, required by the Broker/Carrier. The Parties agree that the use of e-mail will effect electronic signatures by: (1) identifying and authenticating a Party as the source of the electronic communication; (2) indicating that Party's approval of the information contained in the electronic communication; and (3) producing an electronic document with the same integrity, accuracy, and accessibility as a paper document or handwritten signature. Either Party may elect, with respect to any document, to use a manual/hardcopy signature; provided that such election shall not preclude the other Party from effecting an electronic signature to the same document. In the event CARRIER accepts a shipment without returning a signed (either electronic or manual) Confirmation with respect thereto, CARRIER shall be deemed to have agreed to and accepted all terms, rates and charges of the Confirmation transmitted to CARRIER with respect to such shipment as if signed. Per Broker's Customer's requirements. Broker's payment terms are net 30 unless otherwise discussed and agreed upon. For Quick Pay there is a 3% charge off of the linehaul rate for net 3 day payments. Carrier's Invoice must have "Quick Pay" in the subject line of the invoice, and show the corrected amount with the 3% deduction. Quick Pay requests where there is a pending claim will be considered. Unable to handle load in full. Any issues (in advance) with making on time pickup or delivery. Upon arrival at each delivery. After delivery to obtain release number(s). Must notify of any O/S/D and/or lumper prior to leaving. Driver status updates daily by 8:30AM and 4:00PM [Central Time]. Truck-ordered-not-used charges not applicable if Carrier does not call Broker for approval of Carrier's dispatch. Carrier constitutes its certification and agreement that: Carrier, its drivers, and its equipment, are and will remain in compliance with all FMCSA/DOT requirements. Carrier confirms it is their driver and their equipment, no double-brokering as mentioned in the agreement. By its acceptance of this Confirmation, Carrier represents and warrants that its driver/drivers has/have sufficient hours-of-service time available in order to meet Broker's Customer's requirements within the applicable USDOT/FMCSA rules and regulations. This Confirmation and the Broker-Motor Carrier Agreement constitute the complete agreement of the Parties hereto with respect to the transportation of this load. Carrier is aware of, and agrees to meet, all equipment and special requirements pertaining to this load. Carrier acknowledges and agrees that Broker is a licensed transportation broker and not a shipper or carrier. Carrier is responsible to confirm accurate piece counts at time of pickups and deliveries. Carrier acknowledges its legal responsibility for loss, damage, or delay in delivery of this load.
