Carrier agrees that when transporting food for human consumption, late delivery, i.e. delivery after the deadline indicated on the transportation documents, alone shall be sufficient to reject a shipment and consider the cargo a total loss. Failure to comply with the provisions set forth herein or any instructions may result in a determination by PFC or Shipper that the goods transported are no longer safe and if such a determination is made, Carrier shall not sell or otherwise distribute the goods and shall dispose of the same at its expense. Any goods disposed of shall be considered a total loss and valueless for determining cargo loss and damage liability of Carrier.
