- 2) Stay left after the railroad tracks, then make a left turn.
- 3) At the fork, turn left (There will be sign signifying this is Lignotech Florida's Entrance)
- 4) Once you turn left, follow path back to Gate 8. Stop at the guard shack and retrieve and both badges.
- 5) Go over both speed bumps and stay to the left.

COVID-19 PROTOCOLS

- 1) All drivers are required to wear a face mask over their mouth and nose while on site. This begins with their interaction with security at Gate 8 and ends when the driver returns their guest badge at time of departure
- 2) Drivers are asked to stay in their vehicles whenever possible. Because our driver break room does not allow for mindful social distancing, this will now only serve as an entranceway to our warehouse for signing and collective paperwork ONLY (and only if needed)
- 3) The warehouse personnel are ultimately in charge of this exchange of product and paperwork and are the ones most largely exposed. Therefore, if there are any other instructions given by our team at time of arrival, we ask that all request within reason given by our team be met without question.

If these requirements are not met, we reserve the right to reject the driver and will not incur any charges that result from these rejections.

We also ask that the drivers be patient as we continue to provide service that is swift but safe. Please help us pass along this information to all drivers until further notice.

After you enter through GATE 8 go in the far side gate (basically dead-end into the berm next to Rayonier's stored tank area)
