- Your signed return of this Rate Confirmation shall serve as your acceptance of the Load and trigger your reasonable reliance on the same unless otherwise notified by the BROKER of the load's unavailability prior to dispatch and performance. **HOWEVER, your performance of the services requested shall constitute your express agreement and acceptance of all terms stated herein regardless of whether you have in fact signed and returned this agreement.**
- CARRIER will transport this freight under its own operating authority and the equipment used to transport this freight is covered by the carrier's insurance. ***NO double brokering or this contract is null and voids our obligation to pay your company***
- Driver MUST report any delays, overages, shortages, or damages to the product immediately BEFORE leaving the shipping dock. All damages and shortages become the responsibility of the carrier once the driver signs for a load. Driver is responsible to make sure the correct product/quantity is loaded and properly secured. Neglect to count and inspect the freight may result in a claim and/or a deduction. If driver is prevented from inspecting the product for quality and/or quantity, a designation of "Shipper's Load & Count" or an equivalent must be notated on the bill of lading at the time of departure and signed by shipper or shipper's designated representative.
- All loads tendered to CARRIER require exclusive use of trailer space solely for the freight related to that particular load unless otherwise agreed in writing with the BROKER. You assume all liability, including, without limitation any costs incurred by BROKER, caused by your loading any unauthorized freight on a load.
- Any product which must be disposed of must have prior consent from the BROKER before being disposed of by any party. If a load is disposed of without prior written consent from the BROKER, you will be liable for the entire value of the load, plus any other associated damages. Unless otherwise agreed to in writing by the BROKER, you are required to remit to the BROKER any funds received from salvage and/or insurance.
- If you fail to load ALL pickups listed on the rate confirmation, you will be paid a pro-rated reasonably determined by BROKER less a \$150 administrative fee and all costs reasonably asserted against BROKER by BROKER's customer related to the missed pickup.
- DRIVER/CARRIER CANNOT BREAK ANY SEAL. Sealed load must remain sealed until and only until an authorized representative at the Receiver breaks the seal. CARRIER agrees that it will fully indemnify BROKER from any alleged or imposed liability by BROKER's customer caused by non-compliance with seal integrity and requirements. CARRIER must contact BROKER immediately upon discovering that a seal has been broken by an unauthorized person or party, including any law enforcement official or as a result of an accident. BROKER shall attempt to mitigate the consequences of CARRIER's causing any seal-integrity issue, but CARRIER expressly understands that BROKER makes no guarantees and no promises related to such efforts.
- If CARRIER is picking up or delivering in or out of the state of California, CARRIER or its agent certifies that the TRU equipment furnished for loading this shipment is in compliance with California regulations.
- The Food Safety Modernization Act (FSMA) Rule for Sanitary Transport of Human and Animal Food Rule went into effect on April 7, 2017. As a CONTRACT CARRIER, you are expected to maintain all products hauled for BROKER in a sanitary and secure environment during transport. Failure to do so may result in rejection and presentation of a claim and you agree to fully indemnify BROKER from any alleged or imposed liability by BROKER's customer caused by FSNLA non-compliance.
- CARRIER shall not transport this load to any physical location or to any party not identified on this rate confirmation unless BROKER has been notified of the discrepancy and authorizes the changed destination or consignee. CARRIER shall be liable to BROKER and BROKER's customer for all damages or losses caused by CARRIER's failure to comply with this term and condition which is material towards BROKER's offering this load to CARRIER on behalf of its customer, who may or may not be a party to the bill of lading.
- This rate includes all stop-off, fuel surcharges, loading and unloading, out of route, tolls, detention, storage, and/or all arbitrary charges, unless otherwise agreed to in writing.
- Deviation from these rates must be approved in writing and signed by both CARRIER and BROKER.
- All drivers must call Tumalo Creek Transportation for dispatch, both loaded and empty.
- This rate agreement and current insurance must be on file, and an ORIGINAL Bill of Lading and Proof of Delivery with freight bill for payment to be made.
- If a problem/delay arises that could result in a missed appointment, driver must contact Tumalo Creek Transportation as soon as he/she is aware of the service shortfall.
- Failure to provide proactive communication will result in a \$100 deduction from the agreed upon linehaul charges.
- It is the responsibility of the CARRIER to whom this load is tendered to operate in a legal and safe fashion, according to all applicable laws and regulations put forth by the DOT and any local authorities along the route of travel.
- This confirmation will serve as verification that the CARRIER has a valid contract or common authority and that the load as described above is moving exclusively under that contract or common carrier authority.
