TERMS AND CONDITIONS OF LOAD CONFIRMATION

This confirms your Legal Rate per your verbal agreement. All shipments tendered by EPES Logistics Services, Inc. ("ELS") shall be subject to and subordinate to the terms, conditions and provisions of the current version of the ELS Broker/Carrier Contract (the "Contract") whether or not the Carrier has signed the Contract (available for review at www.epeslogistics.com).

The delivery receipt along with your invoice must be sent to the address on the Load Confirmation before payment will be made.

INVOICE MUST BE ISSUED WITHIN 2 WEEKS OF DELIVERY: to ensure compliance with Shipper billing requirements. Failure to comply may result in non-payment of charges.

All accessorial charges (lumper, detention, driver unload, etc.) MUST be approved at time of occurrence. If a lumper is required, a Comcheck will only be provided on the date the delivery is scheduled if project44 is actively pinging. Otherwise, the carrier must provide funding for the lumper. All detention requests must include the time in and out on the signed Bill of Lading. Receipts for charges must be sent to ELS. Failure to comply may result in non-payment of charges.

Payments will be processed 30 days from receipt of all required shipment documentation.

A 2-Day QuickPay option is also available as outlined below.

By accepting this shipment, you hereby represent and warrant that you have current and valid CDL and insurance coverage, in compliance with the terms of the Contract, in an amount sufficient to cover the full liability of any commodities and cargo carried under this order. In addition, you hereby agree to accept liability for the full value of any cargo loss, damage, expense or other liability relating to the transportation of the freight tendered, regardless of any limitations, restrictions or exclusions that may be stated in your insurance policy. If carrier's cargo insurance policy contains a schedule of covered vehicles, carrier will not transport any cargo on this shipment using a vehicle that is not listed as a scheduled vehicle on carrier's cargo insurance policy. Released values do NOT apply.

Carrier agrees that the tractor & trailer utilized are in good mechanical condition, clean and have not been used to carry trash, garbage, or hazardous materials that could adversely affect the cargo in this load.

Trailer seals should not be broken, removed, tampered with or otherwise compromised during transit. If the seal exhibits evidence of tampering, or if circumstances require that a seal be broken, the carrier must immediately advise ELS and provide details of the surrounding circumstances. The carrier shall be responsible for all costs associated with the refusal of product for any non-compliance with these requirements.

WARNING: Without prior written consent of ELS you may NOT:

- Re-broker, assign or interline this shipment or consolidate this load with other freight.
- Deviate from the instructions set forth on the Load Confirmation, including (but not limited to) any modification to Consignee delivery address, without first obtaining written confirmation from ELS. Such written confirmation must be obtained by calling only the Broker phone number shown on page 1 of this Load Confirmation.

ELS will have the option in its sole discretion to reduce or eliminate payment for failure to comply with this section. Additionally, Carrier accepts sole liability for the full amount of any claims and expenses, including reasonable attorney fees and expenses, that directly or indirectly result from failure to follow these procedures.

Carrier hereby certifies that it will perform all aspects of this shipment in conformity with all federal, state, and local laws and regulations, including compliance with FMCSA regulations restricting the use of hand-held mobile telephones by drivers of commercial vehicles. Carrier further certifies that the pickup and delivery dates and times of this shipment will not require the carrier to violate FMCSA hours of service regulations.

Directions are provided for informational purposes only. It is Carrier's responsibility to determine the appropriate route for prompt delivery of this shipment. Any disputes to the Rate Confirmation must be called in no later than 24 hours after receipt of this document.
