certifies that its drivers have familiarity with and will comply with state and Federal motor carrier safety laws and regulations. INDEPENDENT CONTRACTOR agrees that it shall be responsible for ensuring that its drivers comply with the terms of this Agreement while operating the Equipment under the motor carrier authority of CARRIER. To ensure compliance with such laws and regulations, including but not limited to 49 C.F.R. (II) INDEPENDENT CONTRACTOR agrees and warrants that its drivers will carry a copy of this Agreement and all registrations, licenses and agreements always required by the various states while providing services in furtherance of this Agreement solely in order to comply with Federal requirements. INDEPENDENT CONTRACTOR agrees to submit to CARRIER, on a timely basis, all drivers logs and supporting documentation including but not limited to, toll receipts, physical examination certificates, accident reports, and any other required data, documents, or reports which are required by the Federal Motor Carrier Safety Administration ("FMCSA") or other governmental agency or are otherwise required by any Federal or State law. INDEPENDENT CONTRACTOR agrees that the CARRIER shall keep an original of this Agreement as required by Federal regulation.

(III) INDEPENDENT CONTRACTOR agrees that all bills of lading, waybills, freight bills, manifests, or other papers identifying the property carried on the Equipment during the term of this Agreement shall be those of CARRIER, or as authorized by CARRIER, and shall indicate that the property transported is under the responsibility of CARRIER.

(IV) INDEPENDENT CONTRACTOR agrees to always operate the Equipment in a safe and prudent manner in accordance with the laws of the various jurisdictions in which the Equipment will be operated and pursuant to the operating authorities of CARRIER, and in accordance with all rules related to traffic safety, highway protection and/or road requirements. (V) INDEPENDENT CONTRACTOR further agrees not to receive any credit extension in CARRIER'S name or in any way to use CARRIER'S name to obtain credit, unless INDEPENDENT CONTRACTOR first receives CARRIER'S written consent to do so.

6. OPERATIONAL EXPENSES

(I) INDEPENDENT CONTRACTOR shall, at its sole cost and expense, supply all Equipment ready to operate and fully roadworthy. INDEPENDENT CONTRACTOR shall furnish all necessary oil, fuel, tires, and other parts, supplies and equipment necessary or required for the safe and efficient operation and maintenance of the Equipment, and INDEPENDENT CONTRACTOR agrees to be solely responsible for any repairs necessary for legal and safe operation of such Equipment. INDEPENDENT CONTRACTOR further agrees that INDEPENDENT CONTRACTOR shall pay all expenses incident to the operation of the Equipment including but not limited to all necessary licenses, state base plates, fuel taxes, use taxes, weight taxes, toll charges, cab cards, permits, and detention and accessorial charges not collected by CARRIER due to INDEPENDENT CONTRACTOR'S failure to provide the required documentation. If CARRIER is required to pay any fuel taxes, interest or penalties due to INDEPENDENT CONTRACTOR'S failure to pay or properly report and to pay for base plates, overweight fines and fees, permits, or any other

INDEPENDENT CONTRACTOR charges, CARRIER shall have the right to set off and deduct any amounts paid by CARRIER against amounts due INDEPENDENT CONTRACTOR or otherwise recover those amounts from INDEPENDENT CONTRACTOR.

(II) If CARRIER receives a refund or credit for a state base plate purchased by INDEPENDENT CONTRACTOR from, and issued in the name of, CARRIER, or if such base plate is authorized by INDEPENDENT CONTRACTOR to be resold by CARRIER to another INDEPENDENT CONTRACTOR, CARRIER shall refund to INDEPENDENT CONTRACTOR a prorated share of the amount once received by CARRIER.

(III) INDEPENDENT CONTRACTOR agrees that INDEPENDENT CONTRACTOR shall be responsible for maintaining, and shall maintain, the Equipment in safe condition and in complete compliance with all laws and regulations of the states in which INDEPENDENT CONTRACTOR operates, the Department of Transportation, and the FMCSA. Solely to comply with Federal regulations, INDEPENDENT CONTRACTOR agrees to forward to CARRIER all maintenance, repair and inspection records relating to the Equipment during the duration of this Agreement.

(IV) INDEPENDENT CONTRACTOR agrees on behalf of itself and its drivers to pay all fines imposed for violation of any law or regulation by the state or states or local municipalities in which INDEPENDENT CONTRACTOR operates, the Department of Transportation, or the FMCSA, where such violation results, at least partially, from the acts or omissions of INDEPENDENT CONTRACTOR. INDEPENDENT CONTRACTOR specifically agrees that the CARRIER may discharge INDEPENDENT CONTRACTOR'S obligation to pay such fines in CARRIER'S own discretion and set off and deduct any amounts paid by CARRIER for such fines from any funds due INDEPENDENT CONTRACTOR but not yet paid by CARRIER.

(V) INDEPENDENT CONTRACTOR agrees and warrants for itself and its drivers that it shall determine that all shipments that INDEPENDENT CONTRACTOR transports under this Agreement comply with the size and weight restrictions and laws of the states and local municipalities through which the Equipment will operate, and INDEPENDENT CONTRACTOR agrees that INDEPENDENT CONTRACTOR shall notify CARRIER if its vehicle is overweight, oversized or in need of permits before commencing transportation of the shipment. INDEPENDENT CONTRACTOR shall remain solely responsible for overweight tickets and violations and violations of any size restrictions and shall indemnify and hold CARRIER harmless from any claims, expenses (including attorneys' fees) and fines arising out of any violation of size and weight restrictions. To the extent CARRIER discharges INDEPENDENT CONTRACTOR'S duty under this paragraph, CARRIER shall have the right to set off its expenses from amounts due INDEPENDENT CONTRACTOR but not yet paid by CARRIER by deducting said funds.

(VI) INDEPENDENT CONTRACTOR shall pay for, defend, indemnify and hold CARRIER harmless for any loss, damage, fines, expenses (including reasonable attorney's fees), actions and/or claims arising out of, or in connection with, the cleaning up of any accident or any spills involving the Equipment or the INDEPENDENT CONTRACTOR'S services; this obligation shall be subject to the right of the CARRIER to set off funds due INDEPENDENT CONTRACTOR but not yet paid by CARRIER by deducting said funds.

A. INDEPENDENT CONTRACTOR agrees that INDEPENDENT CONTRACTOR shall be liable for, and shall pay, all cargo claims, including but not limited to, claims relating to delay, damage, shortages, mis-delivery, and lost or contaminated loads, arising out of, or in connection with INDEPENDENT CONTRACTOR'S services to the extent said claim or portion of cargo claim is not paid by CARRIER'S cargo insurance carrier. INDEPENDENT CONTRACTOR acknowledges and agrees that, at a minimum, where CARRIER elects to make a claim with CARRIER'S cargo insurance carrier (which election shall be made in CARRIER'S sole discretion) and where the cargo insurance carrier pays the claim, INDEPENDENT CONTRACTOR shall be responsible for the deductible in the amount of \$2,500.00.

B. INDEPENDENT CONTRACTOR agrees to immediately report all such cargo claims to CARRIER, and INDEPENDENT CONTRACTOR agrees to cooperate fully in the investigation of such claims and in any litigation arising from such claims. In all cases where pickups of cargo are made by INDEPENDENT CONTRACTOR under this Agreement, INDEPENDENT CONTRACTOR and INDEPENDENT CONTRACTOR'S operators, drivers and employees shall be responsible for the count of said cargo and for the careful and safe delivery of the same in a good and undamaged condition. INDEPENDENT CONTRACTOR agrees that it has a duty to advise CARRIER by telephone prior to completion of a pickup or delivery, if the cargo being picked up or delivered is in a damaged or unsound condition. INDEPENDENT CONTRACTOR shall also note on the bill of lading at the time of receipt thereof that the commodities are not in good condition or are not of sufficient number.

C. INDEPENDENT CONTRACTOR authorizes CARRIER to deduct any amount paid by CARRIER on any cargo claim or claim for property damage or demanded of CARRIER for said losses, from any monies due INDEPENDENT CONTRACTOR by CARRIER. CARRIER shall provide the INDEPENDENT CONTRACTOR with a written explanation and itemization of any deductions for cargo or property damage made from any compensation of money owed to the INDEPENDENT CONTRACTOR and the written explanation and itemization will be delivered to INDEPENDENT CONTRACTOR before any deductions are made.

8. USE OF TRAILERS AND TRAILER DAMAGE

A. INDEPENDENT CONTRACTOR agrees to return any trailer provided for its use by CARRIER in the same good condition as received by INDEPENDENT CONTRACTOR, reasonable wear and tear excepted, along with any and all other equipment and property belonging to CARRIER and/or CARRIER'S customers, immediately upon CARRIER'S request or upon termination of the Agreement, at a time and place designated by CARRIER. INDEPENDENT CONTRACTOR agrees that INDEPENDENT CONTRACTOR shall be liable for, and pay, all direct, indirect and consequential damages, including but not limited to, brake and tire wear, towing charges and reasonable attorney's fees, arising out of, or in connection with, INDEPENDENT CONTRACTOR'S use of CARRIER'S trailers, CARRIER'S customers' trailers, other equipment of CARRIER'S, or equipment of any other carrier or customer. INDEPENDENT CONTRACTOR agrees to reimburse CARRIER for any costs, expenses, attorneys' fees and other charges incurred by the CARRIER under this paragraph and authorizes CARRIER to deduct and set off all amounts owed to CARRIER under this paragraph from any funds due INDEPENDENT CONTRACTOR but not yet paid by CARRIER. In the event CARRIER'S trailers or other equipment are not returned upon request of the CARRIER, INDEPENDENT CONTRACTOR agrees that CARRIER may enter upon private property or remove private property peaceably, with or without legal process, where the trailer or equipment is located in order to repossess the trailer or equipment, and INDEPENDENT CONTRACTOR shall hold harmless CARRIER from any liability in connection with such repossession.

B. If INDEPENDENT CONTRACTOR chooses to rent trailers or other equipment from CARRIER or any third party, CARRIER may deduct from INDEPENDENT CONTRACTOR'S settlement the amount of \$ 0 per week, for such trailer rental.

9. ACCIDENT AND CLAIM REPORTS

INDEPENDENT CONTRACTOR agrees that it shall immediately report any accident to CARRIER involving operations subject to this Agreement, including INDEPENDENT CONTRACTOR'S written report of such accident in compliance with the regulations of the Department of Transportation or other agency regulations or applicable law. INDEPENDENT CONTRACTOR agrees that it shall cooperate fully with CARRIER'S investigation and defense or prosecution of any legal action in connection with any accident or claim and shall attend all depositions, hearings and trials related to such accident or claim. INDEPENDENT CONTRACTOR authorizes CARRIER to deduct and set off all amounts owed to CARRIER under this paragraph from any funds due INDEPENDENT CONTRACTOR but not yet paid by CARRIER.

10. HOLD HARMLESS

INDEPENDENT CONTRACTOR agrees to defend, indemnify and hold harmless CARRIER from any direct, indirect and consequential loss, damage, fine, expense, including reasonable attorney's fees, action, claim for injury to persons, including death and damage to property which CARRIER may incur arising out of or in connection with INDEPENDENT CONTRACTOR'S obligations and/or services under this Agreement, INDEPENDENT CONTRACTOR'S breach of any obligation under this Agreement and/or INDEPENDENT CONTRACTOR'S operation of the Equipment. Additionally, INDEPENDENT CONTRACTOR authorizes CARRIER to deduct and set off all amounts owed to CARRIER pursuant to this Paragraph from any funds due INDEPENDENT CONTRACTOR but not yet paid by CARRIER. INDEPENDENT CONTRACTOR acknowledges and agrees that, at a minimum, where CARRIER elects to make a claim with CARRIER'S public liability and property damage insurance carrier (which election shall be made in CARRIER'S sole discretion) and where the public liability and property damage insurance carrier pays the claim, INDEPENDENT CONTRACTOR shall be responsible for the deductible in the amount of \$5,000.00.

11. UNATTENDED EQUIPMENT AND/OR TRAILER

In order to reduce the risk of theft, INDEPENDENT CONTRACTOR agrees that it will not leave its Equipment and/or any trailer unattended while hauling a load under this Agreement. INDEPENDENT CONTRACTOR agrees to defend, indemnify and hold harmless CARRIER from any direct, indirect and consequential loss, damage, fine, expense, including reasonable attorney's fees, which CARRIER may incur while INDEPENDENT CONTRACTOR is providing services under this Agreement and INDEPENDENT CONTRACTOR'S Equipment and/or any trailer is unattended.

12. REMOVAL OF IDENTIFICATION

Whenever INDEPENDENT CONTRACTOR is not providing CARRIER services under this Agreement, INDEPENDENT CONTRACTOR shall remove all CARRIER placards from its Equipment and shall purchase and maintain bobtail insurance for its own Equipment. INDEPENDENT CONTRACTOR agrees to defend, indemnify and hold harmless CARRIER from any direct, indirect and consequential loss, damage, fine, expense, including reasonable attorney's fees, action, claim for injury to persons, including death and damage to property which CARRIER may incur in connection with INDEPENDENT CONTRACTOR'S failure to remove CARRIER'S placard and maintain appropriate bobtail insurance or for any other failure under this paragraph. INDEPENDENT CONTRACTOR authorizes CARRIER to deduct and set off all amounts owed to CARRIER under this paragraph from any funds due INDEPENDENT CONTRACTOR but not yet paid by CARRIER.

13. NOTIFICATION REQUIREMENT

In the event any commodity attempted to be tendered by a shipper to INDEPENDENT CONTRACTOR'S possession for transportation does not match the description or piece count of the commodity contained in the CARRIER'S dispatch or in the bill of lading or INDEPENDENT CONTRACTOR observes any damage, contamination or other off-condition problem with a load, INDEPENDENT CONTRACTOR shall not accept the tender and shall notify CARRIER immediately.

14. PASSENGER NOT PERMITTED

Pursuant to 49 C.F.R. § 392.60, INDEPENDENT CONTRACTOR agrees that its drivers shall at no time while transporting any commodity pursuant to the terms of this Agreement permit any passenger to ride with INDEPENDENT CONTRACTOR or its employees without express written consent from CARRIER. Before passenger authorization will be given by CARRIER, INDEPENDENT CONTRACTOR (or its driver) shall submit a fully executed Passenger Authorization and Release of Liability Form to CARRIER for prior approval.

15. BREAKDOWN OF EQUIPMENT /OUT OF SERVICE

In the event INDEPENDENT CONTRACTOR is unable or unwilling to effect delivery of a shipment because of breakdown of equipment or abandonment of a shipment, or because of a police order putting the driver or equipment out of service for logbook violations or DOT violations, or for any other reason, and it is necessary for CARRIER to find substitute transportation to effect delivery, INDEPENDENT CONTRACTOR agrees that it shall immediately report such to CARRIER and agrees that it shall be compensated for the portion of the transportation performed by it to the extent not paid less the amount paid by CARRIER to secure substitute transportation and to compensate the customer for any delay. In the event the amount paid by CARRIER to secure substitute transportation and compensate the customer for any delay is greater than that due INDEPENDENT CONTRACTOR, INDEPENDENT CONTRACTOR agrees to reimburse CARRIER any cost and expense arising out of such completion of such trip and to pay CARRIER any damages for which CARRIER may be liable to shipper arising out of such violation of contract by INDEPENDENT CONTRACTOR. Said reimbursement, or any portion thereof, may be taken as a set-off by CARRIER from funds due to INDEPENDENT CONTRACTOR but not yet paid by CARRIER.

16. CARRIERS RESPONSIBILITIES

CARRIER shall be responsible for the following:

- (A) Exclusive Possession and Responsibility. The INDEPENDENT CONTRACTOR'S Equipment shall be for CARRIER'S exclusive possession, control, and use for the duration of this Agreement. CARRIER shall assume complete responsibility for the operation of the Equipment for the duration of this Agreement. This subparagraph is set forth solely to conform with Federal leasing regulations and shall not be used for any other purposes, including any attempt to show control on the part of the CARRIER in order to attempt to classify INDEPENDENT CONTRACTOR or any of its drivers as an employee of CARRIER.
- (B) Inspection of Equipment. CARRIER certifies that, before taking possession of the Equipment, the Equipment was inspected by one of its responsible and competent employees or agents.
- (C) Identification of Equipment. CARRIER shall identify the Equipment in accordance with the requirements of the FMCSA, Department of Transportation and appropriate state regulatory agencies. CARRIER shall have the right to place and maintain on the Equipment CARRIER'S name and any lettering, advertisement, slogans or designs as CARRIER may choose. INDEPENDENT CONTRACTOR shall remove such identification at the termination of this Agreement or while operating such Equipment for any purpose other than conducting CARRIER'S business. CARRIER agrees that INDEPENDENT CONTRACTOR may display INDEPENDENT CONTRACTOR'S name on the Equipment in order to comply with State law showing that its Equipment is Leased to CARRIER.

17. INSURANCE

- (A) CARRIER shall have no insurance responsibilities or obligations pertaining to INDEPENDENT CONTRACTOR other than those expressly stated in this Agreement or mandated by law. CARRIER shall

maintain public liability and property damage insurance in such amounts as are required by the FMCSA, Department of Transportation, and applicable state regulatory agencies. CARRIER shall maintain insurance coverage for the protection of the public pursuant to the FMCSA's regulations under 49 U.S.C. § 13906. CARRIER shall maintain cargo insurance in the amount deemed necessary by CARRIER solely in the discretion of CARRIER. CARRIER'S possession of legally required insurance in no way restricts CARRIER'S right of indemnification from INDEPENDENT CONTRACTOR under the provisions of this Agreement. INDEPENDENT CONTRACTOR shall be covered under CARRIER'S public liability, property damage and cargo loss or damage insurance coverage when and only when the Equipment is being operated under the Federal motor carrier authority of CARRIER.

(B) INDEPENDENT CONTRACTOR shall be responsible for obtaining and maintaining in full force and effect at its sole cost and expense, bobtail insurance in the minimum combined single limit of \$1,000,000.00 for injury or death to any person or for damages to property in any single occurrence whenever the Equipment or CARRIER'S trailer is not being operated on behalf of CARRIER. INDEPENDENT CONTRACTOR may elect to purchase bobtail insurance through CARRIER.

(C) In such events where INDEPENDENT CONTRACTOR is using CARRIER'S trailers in the performance of services hereunder, INDEPENDENT CONTRACTOR shall maintain physical damage/collision insurance covering the full value of such trailer in the event of theft, loss or damage.

(D) CARRIER will provide INDEPENDENT CONTRACTOR with a copy of each of CARRIER'S policies upon the request of the INDEPENDENT CONTRACTOR. And upon request CARRIER will provide INDEPENDENT CONTRACTOR with a certificate of insurance for each such policy and each certificate shall include the name of the insurer, the policy number, the effective dates of the policy, the amounts and types of coverage, the cost to the INDEPENDENT CONTRACTOR for each type of coverage, and the deductible amount for each type of coverage for which the INDEPENDENT CONTRACTOR may be liable.

(E) INDEPENDENT CONTRACTOR may elect to purchase other insurance coverage as allowed by law.

(F) CARRIER shall be entitled to deduct from INDEPENDENT CONTRACTOR'S settlements the costs of the insurances set forth in subparagraphs (a) - (c) to the extent CARRIER pays for such amounts, plus an administrative fee. The amount of said charge may or may not equal the amounts paid by CARRIER to secure insurance for each vehicle and/or driver. Said charge shall appear on the Settlement Statements provided to INDEPENDENT CONTRACTOR under this Agreement. INDEPENDENT CONTRACTOR, on reasonable request, shall be afforded copies of those documents which are necessary to determine the validity of the charges specified in this subparagraph upon written request to CARRIER.

(G) FURTHER INSURANCE AGREEMENT. Further respective obligations as and between the parties as relate to insurance are as set forth on Appendix "C" attached hereto.

18. INDEPENDENT CONTRACTOR'S DRIVERS ARE NOT EMPLOYEE OF CARRIER

It is expressly understood and agreed that INDEPENDENT CONTRACTOR (and each of its drivers) is an independent contractor for the Equipment and driver services provided pursuant to this Agreement, and that INDEPENDENT CONTRACTOR agrees to defend, indemnify and hold CARRIER harmless for any claims, suits, or actions, including reasonable attorney's fees in protecting CARRIER'S interests, brought by INDEPENDENT CONTRACTOR, its employees, any union, the public, or state or Federal agencies, arising out of the operation of the

INDEPENDENT CONTRACTOR shall be free to accept or reject loads offered by CARRIER to INDEPENDENT CONTRACTOR and INDEPENDENT CONTRACTOR is not required to perform services at specific times or according to a schedule set by CARRIER. INDEPENDENT CONTRACTOR acknowledges and agrees that where customers of CARRIER or shippers and consignees on shipments transported under this Agreement specify pickup and delivery times and transit times, such shall be deemed set by such customers, shippers and consignees and not the CARRIER.

(B) Form 1099 Tax Filings. As required by law, CARRIER agrees to file information tax returns (Form 1099) representing payments to INDEPENDENT CONTRACTOR.

(C) Minimum Requirements Under Federal Law. INDEPENDENT CONTRACTOR and CARRIER mutually agree that at least the requirements contained in paragraphs 5, 6,8, 13,15,17,18,21 and 27 represent requirements under Federal law, that their imposition is solely to comply with Federal law, and that they shall not be construed as involving discretionary control by CARRIER over INDEPENDENT CONTRACTOR'S performance under this Agreement. CARRIER and INDEPENDENT CONTRACTOR specifically agree that, to the extent allowable by law, CARRIER is interested only in the results of the contracted activity between INDEPENDENT CONTRACTOR and CARRIER and not in the means and methods utilized by INDEPENDENT CONTRACTOR to secure those results.

19.BREACH

Notwithstanding anything to the contrary in this Agreement, this Agreement may be terminated, at any time, by either party in the event of a breach by the other of any term or obligation contained in this Agreement. If, in CARRIER'S judgment, INDEPENDENT CONTRACTOR has subjected CARRIER to liability because of INDEPENDENT CONTRACTOR'S acts or omissions, CARRIER may take possession of the lading entrusted to INDEPENDENT CONTRACTOR and complete performance. In such event, INDEPENDENT CONTRACTOR shall waive any recourse against CARRIER for such action and INDEPENDENT CONTRACTOR shall reimburse CARRIER for all direct or indirect costs, expenses, or damages including reasonable attorney's fees incurred by CARRIER as a result of CARRIER'S taking possession of the lading and completing performance

20.SETTLEMENT PERIOD

CARRIER shall settle with INDEPENDENT CONTRACTOR with respect to services provided under this Agreement within 15 calendar days after INDEPENDENT CONTRACTOR'S submission, in proper form, of those documents necessary for CARRIER to secure payment from its customers, including, but not necessarily limited to:

and records, if any, from which charges and rates are computed, except that CARRIER shall only disclose the information that would appear on a rated freight bill. CARRIER shall have the right to review all of INDEPENDENT CONTRACTOR'S documents and records relating to the use of the Equipment and to the services provided under this Agreement, and INDEPENDENT CONTRACTOR agrees to provide CARRIER with access to such documents and records upon reasonable notice.

21. INDEPENDENT CONTRACTOR NOT REQUIRED TO PURCHASE PRODUCTS, EQUIPMENT, OR SERVICES FROM CARRIER

INDEPENDENT CONTRACTOR is not required to purchase or rent any products, equipment, or services from CARRIER as a condition of entering into this Agreement.

22. CHARGE BACKS AND DEDUCTIONS

CARRIER shall charge back to INDEPENDENT CONTRACTOR at the time of payment or settlement, any liability or expenses CARRIER has borne, including deductions and set offs described herein and in Appendix B attached hereto, which under this Agreement, INDEPENDENT CONTRACTOR is obligated to bear. Such expenses shall be deducted from the amount due to INDEPENDENT CONTRACTOR and shall include, but not be limited to, those expenses set forth in this Agreement, as well as C.O.D. and freight collect remittances due CARRIER, cargo claims, property damage, towing charges, insurance deductibles, and reasonable attorney's fees incurred in reducing potential liabilities arising out of, or in connection with, INDEPENDENT CONTRACTOR'S acts or omissions under the terms of this Agreement. Upon request, CARRIER shall provide INDEPENDENT CONTRACTOR written itemization and documentation of all charge backs where such documentation is necessary to verify the validity of the charge.

23. FINAL SETTLEMENT

With respect to final settlement, the failure on the part of INDEPENDENT CONTRACTOR to remove all identification devices of CARRIER, and, except in the case of identification painted directly on the Equipment, return them to CARRIER in any reasonable manner, shall constitute a breach of this Agreement. For identifications painted directly on the Equipment, INDEPENDENT CONTRACTOR shall remove such identifications and certify to CARRIER that such identifications have been removed or be in breach of this Agreement. Such breach shall entitle CARRIER to withhold any payment owed to INDEPENDENT CONTRACTOR until such obligations are met. The parties agree that, in addition to any other right, remedy or claim CARRIER may have, INDEPENDENT CONTRACTOR shall pay CARRIER \$100.00 per day per truck for INDEPENDENT CONTRACTOR'S failure to remove and/or return such identification.

24. LUMPING AND DETENTION

Whenever a shipper or a consignee requires that INDEPENDENT CONTRACTOR or one of its drivers assist in the loading or unloading of property transported on behalf of CARRIER, CARRIER shall pay to INDEPENDENT CONTRACTOR _78_% of any compensation CARRIER receives from such shipper or consignees for any costs associated with such requirement; provided. CARRIER maintains no rates or other contract arrangements wherein charges for such service are contemplated or allowed and CARRIER shall not be obligated to make such payments unless INDEPENDENT CONTRACTOR secures prior approval from CARRIER to retain any assistance for loading or unloading. Otherwise, INDEPENDENT CONTRACTOR agrees to be responsible for the loading or unloading of such property at INDEPENDENT CONTRACTOR'S expense. Further, _78_% of detention charges that are collected by CARRIER shall be directly paid to INDEPENDENT CONTRACTOR but such payments shall only be made upon notice by INDEPENDENT CONTRACTOR to CARRIER of a delay such that CARRIER is able to negotiate a detention amount which is not included in existing rates. CARRIER is entitled to all other accessorial charges.

DATE **5 / 9 / 2024**

INDEPENDENT CONTRACTOR shall not assign or subcontract all or part of its obligations under this Agreement; otherwise, this Agreement shall be binding upon and inure to the benefit of the parties to this Agreement and their respective successors.

26.DRIVER INSPECTIONS

INDEPENDENT CONTRACTOR represents and warrants that it is familiar with the requirements of Federal law requiring its drivers to perform a Pre-Trip Inspection on the Equipment and trailer and to complete a Driver Vehicle Inspection Report for each on-duty day. INDEPENDENT CONTRACTOR agrees that it shall be solely responsible for ensuring that its drivers comply with Federal law related to inspections. INDEPENDENT CONTRACTOR agrees that it shall immediately notify CARRIER of any safety-related or other condition detected by INDEPENDENT CONTRACTOR or its driver if correction of such safety-related or other condition will result in a delay to the shipment. INDEPENDENT CONTRACTOR, for itself and its drivers, agrees that it shall correct any safety-related or other condition prior to commencing operation of the Equipment. To the extent a shipment is sealed, INDEPENDENT CONTRACTOR agrees to be responsible for maintaining the seal throughout the entire shipment and, in the event the seal is broken, INDEPENDENT CONTRACTOR agrees to immediately report such to CARRIER.

27.REFRIGERATED LOADS

INDEPENDENT CONTRACTOR represents and warrants that it shall check the condition and temperature of the refrigerated trailer every two hours and check the fuel level in the refrigerated trailer to ensure adequate fuel levels. INDEPENDENT CONTRACTOR agrees to provide CARRIER with separate fuel receipts for the use of a refrigerated trailer prior to receiving payment for that shipment.

28.NOTICE

All notice provisions of this Agreement shall be in writing delivered personally, by postage prepaid, first-class mail, or by facsimile machines to the addresses or fax number shown at the end of this Agreement.

29.NON-WAIVER

The failure or refusal of either party to insist on strict performance with any provision in this Agreement shall not be construed as a waiver or relinquishment of that provision of right of either party.

30.ESCROW

(A) INDEPENDENT CONTRACTOR and CARRIER agree that CARRIER may, at its discretion, establish an escrow account for the purpose of insuring compliance with the provisions of this Agreement. The amount of principal to be held in escrow ("escrow funds") shall not exceed \$2500.00.
