The New Jersey Motor Vehicle Commission has determined that you have not maintained NJ liability insurance on the currently registered vehicle(s) listed on the back of this notice. Such coverage is required by NJ Law (NJSA 39:6B-1). By authority of NJSA 17:33B-41 and NJSA 39:5-30, MVC has scheduled the suspension of your NJ registration(s).

Your New Jersey registration privilege is scheduled to be suspended as of 06/03/2024 indefinitely. If you do not satisfy the below requirements by the scheduled suspension date, you will receive an Order of Registration Suspension, which will require the payment of a \$100 restoration fee, and a Notice of Scheduled Suspension of your Driving Privilege.

The Motor Vehicle Commission will cancel the scheduled suspension if you present the following proof:

If you have liability insurance for the vehicle(s), you must present:

- A) A photocopy of a current NJ insurance identification card (but not for the cancelled policy); or

- B) A photocopy of the declaration page of your current insurance policy describing the vehicle(s) and coverage; or

- C) A photocopy of a Notice of Policy Reinstatement.

If you no longer own or use the vehicle(s), or if it is registered in another state, you must:

- A) Surrender the registration certificate(s) and plates and
- B) Present a photocopy of the receipt for the surrendered registration certificate(s) and plates; or

- C) If the registration certificate(s) and plates are no longer in your possession or have been transferred to another vehicle owned by you, present a written statement explaining what you did with the plates; or

- D) If the vehicle is no longer used, surrender the registration(s) and plates, and present the receipt and a written statement describing the condition of the vehicle(s) if inoperable, or explaining why the vehicle(s) is not in use.

You can mail the required proof to Motor Vehicle Commission at PO Box 132, Trenton, NJ 08666-0132 (enclose a copy of this notice), or you may present it in person at any Motor Vehicle \*Full Service Agency.

You can obtain a listing of New Jersey Motor Vehicle Commission \*Full Service Agencies that specifically process this type of transaction by either visiting the Commission's web site at [www.njmvc.gov/service](http://www.njmvc.gov/service) or by contacting our restoration information number at 609-292-7500.

If your registration privilege is suspended on the date above, you cannot drive, or allow anyone else to drive, any vehicle registered in your name until you receive written notice from the Chief Administrator stating that your registration privilege has been restored. If you are convicted of operating or permitting the operation of the vehicle(s) during the period of suspension, you will be subject to a fine, an insurance surcharge, a suspension, and possibly a jail sentence.

Please help us to reduce the number of uninsured motorists and the cost of insurance by complying with this notice.

Latrecia Little-Floyd  
Acting Chief Administrator
