IMPORTANT MESSAGES

Any enforcement actions taken against you and any subsequent court actions are intended to secure compliance with the traffic laws and all other users of the highways. Failure to comply with your written promise to appear in court and as made on this citation will constitute a separate offense with which you may be charged and result in warrants being issued for your arrest. Failure to appear in court or failure to satisfy a judgement ordering payment of a fine and cost in the manner ordered by the court may result in the denial or renewal of your driver's license.

A second or subsequent conviction of failure to maintain financial responsibility will result in the suspension of your driver license and motor vehicle registration unless you file and maintain proof of financial responsibility with the Department of Public Safety for two (2) years from the date of conviction. The Department may waive the requirements to file proof of financial responsibility if you file satisfactory evidence with the Department showing that at the time this citation was issued the vehicle was covered by a liability insurance policy or that you were otherwise exempt from the requirements to provide evidence of financial responsibility.

You may be able to require that this charge be dismissed by successfully completing a driving safety course or a motorcycle operator training course. You will lose that right if, on or before your appearance date, you do not provide the court with notice of your request to take the course.

This article does not apply to an offense committed by a person who holds a commercial driver's license.

The Court may provide alternatives to the full payment of any fine or costs assessed against you, if you are convicted of the offense and are unable to pay the full amount.

If you were convicted of a misdemeanor offense involving violence where you are or were a spouse, intimate partner, parent, or guardian of the victim or are or were involved in another, similar relationship with the victim, it may be unlawful for you to possess or purchase a firearm, including a handgun or long gun, or ammunition, pursuant to federal law under 18 U.S.C. Section 922 (g) (9) or Section 46.05 (b), Texas Penal Code. If you have any questions whether these laws make it illegal for you to possess or purchase a firearm, you should consult an attorney.

A request for an out-of-service review, regarding operating authority, must be made in writing and forwarded to the manager of the Motor Carrier Bureau. If requested, a review will be scheduled and conducted by the manager of the Motor Carrier Bureau, or the director's designee within 10 days of the issuance of the out-of-service order. A request for review should be addressed to the Texas Department of Public Safety, Motor Carrier Bureau, P.O. Box 4087, Austin, TX 78773-0521 or may be sent by facsimile transmission to (512) 424-5712 or via electronic mail at MotorCarrierBureau@dps.texas.gov. The Department may conduct the review by telephone conference call.
