Complaint: Truck wont build air pressure above 65 At loves truck stop burbank Paying EFS Driver name oliveira Rafael 347-969-9997 Call Eric for payment 630 566 1266 Cause: Customer request				
Labor	Correction: Chassis / Chassis / Got to truck at Loves in Burbank. Truck was building air pressure but slow. Heard an air leak from under the cab. The air line coming from the air compressor had a hole in it. Pulled old line off and ran to Young's Truck in Canton and got a new one. Got back to truck and installed new air line. Started truck to verify it wasn't leaking and is building air pressure.			\$600.00
