SERVICE COMMENTS: Drvr had RRI replaced yesterday at shop 930. 930 Sold customer a s01127 but a S09619 was mounted. Due to mounting the incorrect tire, it cause the RRO to go bald and the RRI blew causing damage to the mudflap bracket and ripping new mudflap off as well. We are replacing the RRI and RRO and mudflap bracket and mudflap under love's warranty due to negligence of other shop. \\RHARDEN\\11/16/2023\\08:30
