SERVICE COMMENTS: truck came in had a nail to close to the sidewall for us to repair so the company decided to go with a new yokahama i had advised him the tread depth from the new tire would be to great to have next to the old tire and i advised them to switch the outside tire along with the inside and they said that the driver was on his way to the yard, not to change only but one tire witch was the Iri tire on the tractor so therefor there is no warranty on the tire being sold.\CHUGHES17\\07/24/2024\ \15:41
