Factory Warranty. We do not guarantee that any repairs you request will be covered by your manufacturer warranty. We do not issue your warranty; we are merely a factory-authorized warranty repair facility. We will do our best to determine your warranty coverage prior to the repair, and we will submit to the manufacturer repairs that we believe qualify for manufacturer warranty coverage. But the manufacturer may deny your claim. In the event the manufacturer denies your claim, you are fully responsible for all charges incurred.

Workmanship Warranty Disclaimer. We warranty labor and/or workmanship for 30 days following the completion of repair. No claim will be honored past the stated 30-day period. We expressly disclaim all other warranties, either express or implied, including any implied warranties of merchantability or fitness for a particular purpose. We do not assume nor authorize any other person to assume for it any liability in connection with the sale of the parts or repair. In no event are we liable to you or any third-party for any indirect, special, punitive, incidental, or consequential damage connected to, or arising out of, our work on your vehicle whether the damage arises from breach of contract or tort or whether we have been previously advised of the possibility of such damage. If we are found liable to you for any damage, our damages are limited to the replacement of parts and/or the labor cost of repeating the service.

Payment. All charges for repairs, including labor and materials, are due at or before the time we tender the vehicle to you. We may tender the vehicle to you through a phone call, mail, email, or any other means of communication that shows, upon payment, we are returning the vehicle to your custody. If any charges remain unpaid for 30 days past due, we may hire attorneys to help with collection, and you are responsible for paying those attorney's fees. Further, we will charge you interest monthly on all past due amounts at a rate of 16% per annum.

Storage Charge. If you do not take custody of the vehicle within three days after we tender the vehicle to you, we will charge you a storage fee of \$25.00 per day.
